

## Quick Start Guide

 [www.lg.com/in](http://www.lg.com/in)

### Unpacking

Check your product box for the following items. If there are any missing accessories, contact the local dealer where you purchased your product. The illustrations in this manual may differ from the actual product and item.

English

- Read **Safety and Reference**.
- For the power supply and power consumption, refer to the label attached to the product.

### CAUTION

- When attaching the stand to the TV set, place the screen facing down on a cushioned table or flat surface to project the screen from scratches.

B

## (2) MHL

- MHL is also Named smart mobile link
- Connect the mobile phone to the HDMI IN 2 (MHL) port to view the phone screen on the TV.
- The MHL passive cable is needed to connect the TV and a mobile phone.
- This only works for the MHL-enabled phone.
- Some applications can be operated by the remote control.
- Remove the MHL passive cable from the TV when:
  - » the MHL function is disabled.
  - » your mobile device is fully charged in standby mode.
